

BUSSINESSES CHARTER COMMITTED FOR CLEANLINESS

AS A SHOP I AM COMMITTED TO:

- ✓ **Maintain** the immediate surroundings of the business in clean conditions¹, that is to say :
 - Clean its immediate vicinity ;
 - Remove litter coming from the shop itself ;
 - Provide enough trash cans, visible, accessible, maintained and emptied regularly* ;
 - Provide enough ashtrays for the number of people who are smoking in the immediate vicinity of the business**.

* Mandatory when selling food products that can be consumed immediately and right outside by customers.
** Mandatory for establishments in the hotel, restaurant and cafe business sector (horeca).
- ✓ **Ensure** the practicability² of passageways, sidewalks and road sides in the immediate vicinity of the business establishment.
- ✓ **Have** proof of good waste management (keep available for at least 5 years)³:
 - A contract with a waste collector registered (non-hazardous waste) and/of approved (hazardous waste)* by Brussels Environment, if my waste is collected;
 - An invoice or a certificate issued by a recypark or another authorized facility** for the collection and recycling of waste, if my waste is self-deposited there.

* Non-exhaustive list of the most active waste collectors in the Brussels region:
recyclebxlpro.be/en/how-to-sort/
Complete list of registered collectors for non-hazardous waste: environnement.brussels/collecteursenregistres
Complete list of approved collectors for hazardous waste: environnement.brussels/collecteursagrees
** Non-exhaustive list of authorized waste collection and treatment facilities:
environnement.brussels/installationsautorisees
- ✓ **Use** my collector's bags and/or containers⁴.
- ✓ **Sort**⁵ my waste according to the following categories: PMC (plastic packaging, metal packaging, beverage cartons), paper and cardboard, glasses, residual waste.

Must also be sorted separately*: vegetable waste (green spaces and gardens), waste subject to a take-back obligation (batteries, medicines, grease and used frying oils, electrical and electronic waste, tires, solar panels and end-of-life vehicles), hazardous waste (ex. : flammable, corrosive, eco-toxic waste) or animal by-products (ex.: butchery waste).

*By the end of December 2022, sorting will also be mandatory for the following waste: bio waste (food and plant waste), plastic packaging films, metal, wood, frigolite, strapping ties, hard plastics, mattresses, rubble.

Name of the Shop:

Date: Name and signature:

¹ General police regulations common to the 19 municipalities of Brussels (art. 17).

² General police regulations common to the 19 municipalities of Brussels (art. 22).

³ Ordinance of June 14, 2012 pertaining to waste (art. 23).

⁴ Order of June 21, 2012 determining the rules for implementing the sorting obligation for producers or holders of waste other than household waste (art. 4).

⁵ Ordinance of June 14, 2012 pertaining to waste (art. 19).

Information and contact :

Public Cleanliness Service
proprete.prevention@etterbeek.brussels
0490/52.48.18 ou 0490/14.18.78

LABELLING STEPS :

1. You sign the charter and give it back to our service (either during our visit, or by contacting us to arrange an appointment, or by email);
2. You do what is necessary to comply with the 5 commitments of the charter within one month from the date of the signature of the document;
3. During a first control visit, you are able to prove compliance with each of the commitments;
4. Your business receives the "Business committed to cleanliness" label :
 - Communication tools are given to you so that you can display your commitment within your establishment (sticker + copy of the charter);
 - The name of your business and your picture appear on the municipal website;
 - Your business is periodically highlighted via the municipal communication channels;
5. At any time, you remain able to prove that you meet each of your commitments.

By signing below, I consent to my data being used as part of this campaign and to my photo appearing on the municipality's website.
